

THE SPORTING CLUB

Since launching in April 2017, The Sporting Club has gone from strength to strength. From its beginnings as a London only club it now has 4 venues in London, 1 in Manchester, 1 in Leeds and, from June 2021, Birmingham and Liverpool. With multiple clubs right across the country and with less focus on a fixed office location several people have asked if we'd consider a "Corporate Membership" of The Sporting Club.

In typical Sporting Club fashion – Of Course We Can!!

If you would like to know more, please contact one of The Sporting Club team. Here is a snapshot of 3 tiers of "Corporate Membership" and "Membership Plus" that we have introduced with immediate effect.
